

# Logistics Promotion Funding Scheme (LPFS)

With a view to providing support to rebrand the modern logistics industry as “Smart, Innovative, High-end” in order to attract more young people to join the industry, as well as promoting the strengths of Hong Kong as an international premier logistics hub to both local and overseas companies, the Government of the Hong Kong Special Administrative Region launched the Logistics Promotion Funding Scheme (the Scheme) on 8 January 2024 under the Maritime and Aviation Training Fund to support and encourage logistics-related organisations and professional bodies to organise local promotional projects highlighting modern and smart logistics.

## Overview of the Scheme

### Scope of the Scheme

- The Scheme provides funding support to non-profit making projects directly related to the promotion of modern and smart logistics to be held **in Hong Kong**, including but not limited to the organisation of award schemes, seminars, workshops, carnivals, road-show, competitions, exhibitions, conferences, production of publicity materials etc.
- The target participants/recipients/audience may include students, youths, members of the logistics industry (such as logistics companies and practitioners) and the general public both inside and outside Hong Kong

### Eligibility of Applicant Organisations

Eligible applicant organisations under the Scheme shall be:
